

VEVOR[®]

TOUGH TOOLS, HALF PRICE

KITCHEN CART MANUAL

We continue to be committed to provide you tools with competitive price. "Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

HY-VDC074-2

NEED HELP? CONTACT US!

Have product questions? Need technical support? Please feel free to contact us:

This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

Note: The quantity of parts shown in the manual is the actual sage, and the unused parts are spare parts.

ASSEMBLY PRECAUTIONS

1. Assemble needs to follow these instructions. Incorrect assembly can be a hazard.
2. Wear safety goggles and heavy-duty work gloves during assembly.
3. Do not assemble when tired or when under the influence of alcohol, drugs or medication.
4. Load bearing capacity and other product parameters are applied to the properly and completely assembled product only.

USE PRECAUTIONS

1. This product is not a toy. Do not allow children to play with or approach this item.
2. Follow the intended uses only. Do not sit or stand on the cart.
3. Check carefully before each use. Do not use if parts get loosened or damaged.
4. Use on flat, level, and hard surfaces only.
5. Do not exceed the listed load bearing capacity. Tighten all the knobs securely before placing weights on. Be aware of the dynamic load bearing capacity! Sudden load changes may temporarily cause excessive load, resulting in product failure.

ASSEMBLY INSTRUCTIONS

For additional information regarding the parts listed in the following pages, refer to the Assembly Diagram of this manual. Unwrap and separate all parts on a clear work area.

TECHNICAL SPECIFICATIONS

Model	HY-VDC074-2
Maximum Load Capacity (lbs)	110 (Top Tray \geq 22 + Middle Partition \geq 44 + Bottom Partition \geq 44)
